Dubai's society set for adrenaline fuelled day

On Friday, April 4th 2008, over 2,000 of Dubai's society is expected to attend The Dubai Luxury Homes Horsepower Challenge 2008, in aid of Dubai Autism Centre where some of the region's most exclusive luxury names will come together during an action packed day incorporating polo, powerboats and super cars.

As an established supporter of charity events in the UAE, Dubai Luxury Homes guarantees that this year's polo event will be even more exciting than previous years. The first half of the day is a race against time as four teams, formed by members of The Dubai Polo Academy, battle it out in a test of strategy and stamina

involving polo, powerboats and super cars around Dubai.

In the afternoon the gates of the Dubai Polo & Equestrian Club open, welcoming Dubai's society to bask in the sun, picnic with friends or enjoy corporate hospitality in a lively atmosphere. With a complimentary children's activity area, this is an ideal setting and something out of the ordinary for every family.

The grand finale of this adrenaline fuelled day is an exciting polo match between high goal professional polo players in the Exhibition Match, followed by the option of watching the sun set at the Dubai Luxury Homes 'after party' to round off a perfect day.

Action assured at this great event
